

Summer

Deadline for Deposits... 31ST OF AUGUST, 2017

Please be sure that all of your contact details, arrival & departure dates and sites/Units are correct. Deposits can be made by cheque, direct credit, or credit card over the phone.

Health & Safety

As most of you are aware, health and safety plays a big roll in all New Zealand businesses these days. You will now find Emergency procedures up on the walls in the facility blocks and also in the compendiums in all Units. Please be sure you have a read over these and become familiar with them while you are staying with us.

Pay attention to small children on bikes as they are small and fast ... your speed limit should not exceed 5km/h

Please note also that the tiled floors in the facilities can get slippery with lots of wet feet around, watch out for puddles and be extra cautious when entering the facilities.

We like to keep our Holiday Park safe for our guests and staff so if there is anything you feel needs to be brought to our attention please make us aware of this promptly ... it is appreciated :)

Please NO PETS ... 15th of Dec until the 8th of Feb ... However if you need a cuddle ... meet Fenton!

Fenton is the newest team member, he lives above the office with Ryan and Lycia so you will often see him out the back or putting his nose through the fence wanting a lick of your ice cream! He loves attention and people so don't be shy around him :) Want to know where he got his name from? Jump on to Youtube and search - Fenton Labrador. You will soon understand why he got his name...He has a very similar personality!

Tent/Caravan Storage

Over the quiet months we offer tent and caravan storage. This means having your caravan/tent set up, unplugged from power. If the weekend is looking like good weather come out and stay for a couple of nights without having to worry about setting up your camp. Storage and camp rates do apply ... ask us for more details. If you are storing your tent/caravan out here please keep an eye out on the weather. Certain winds (NW/W) can be quite strong and have been known to tear awnings and tents. We do have a drive around to check things out but please take this upon yourself to do also. If we see any obvious damage we will give you a call.

Unit 8 Revamp ...

Unit 8 has been here longer than Jan and Al - that's over 16 years! She has had new cladding, roofing, windows, carpet, bathroom and paint job. This was a job well done by our team and also the guys at KiwiSpan, Rylock and Shaun Churchill painters .

Awesome Results ...

What a difference a bit of time and effort with a little help from nature can make. Check out the before and after photos. Many thanks to all those involved in the dune restoration.

Oakura Volunteer Fire Brigade

We have always supported our local Fire Brigade, the volunteers offer their own time and energy into lending a hand where the community needs. Al has just retired from the brigade after 14 years and is due to receive his Queens Service Medal in September. Our groundsman Rossy has also been volunteering since 2003 and is set to hang up his boots later on in the year. But when the old start to slow down there is always room for the young. Our very own Ryan has become a qualified fire fighter just this year ... pictured left with his nephew Hunter. The volunteers still hold down jobs, so we always have to show our appreciation to the local businesses who support these guys, when an alarm goes up they drop their tools and go! Great community spirit goes a long way! :)

MSL Active

Last summer we were lucky enough to have Manuel and his team from MSL Active come in a few days each week to do fun games and challenges, not just with the children but the parents too! Word on camp says it was a big hit so we've managed to get him on board this coming summer too :) A big Thank you to businesses and camp families, the Withers from Withers Coachlines and also the Bates family from Leisure Line for their support to get MSL entertaining the kids keeping them active and of course tired!

Head over to Tripadvisor and let us know how you enjoyed your holiday :)
